Dear

Freedom of Information Act 2000 – Provision of Information

Thank you for your request for information. I have dealt with this in accordance with the Freedom of Information Act 2000 and enclose the information you requested.

Question: I would like to request whether any employees receive private healthcare benefits, including private health/medical insurance, paid for by the agency as part of their contract of employment.

If you have any employees receiving private healthcare benefits paid for by the agency as part of their contract of employment I would like to request full details about the nature of the benefit (eg Bupa cover) and the total number of employees to whom this applies.

I would also like to request the job titles of the employees to whom this applies.

Answer: The Northern Lighthouse Board does not provide any private healthcare benefits to employees.

In keeping with the spirit and effect of the Freedom of Information Act, all information is assumed to be releasable to the public unless exempt. The Northern Lighthouse Board will, therefore, be publishing the information you requested on www.nlb.org.uk

Yours sincerely
