

**Public Contract Regulations Act 2015 (Regulation 113) – Publication of Annual Payment Performance Data**

From April 2016 public organisations must comply with Regulation 113 of the Public Contracts Regulations Act 2015 which requires all contracting authorities to pay undisputed invoices within 30 days. When undisputed invoice payments are not paid within this 30 day period, interest becomes payable on the outstanding amount as set out in the Late Payment Legislation.

The following table demonstrates NLB's performance against this regulation:

1. The proportion of all valid and undisputed invoices paid within 30 days in accordance with Regulation 113.
2. The amount of interest paid to suppliers due to a breach of the requirement in Regulation 113.
2. The amount of interest liable to be paid to suppliers due to a breach of the requirement in Regulation 113.
